Sweden
-hereinafter called Procurator

SwedSafe, original manufacturer and holder of EC type examination certificate for the SwedSafe EP4 product, has reached an agreement with Procurator for sales and distribution of same product under the WorkSafe brand (owned by Procurator) and product name ProDamp.

With reference to the application from Procurator for having a secondary certificate issued in the Procurator name (and WorkSafe ProDamp brand & name), both parties hereby jointly declare & confirm that:

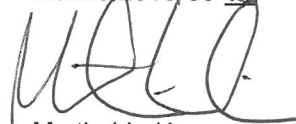

- SwedSafe gives approval to Procurator to apply for an EC type-examination Certificate for the WorkSafe ProDamp -product
- The original EC type-examination approval (Certificate No. 27403TJS01), and related technical file (held by the Notified body No.0403), can be used as basis for the Procurator application.
- The WorkSafe ProDamp product, made by SwedSafe, is physically identical to the SwedSafe EP4 product
- SwedSafe will inform both Procurator and the Notified body (No.01403), of any incidents or changes affecting the validity of the type-examination certificate, and vice versa.
- SwedSafe is the sole manufacturer of the WorkSafe ProDamp - product
(Manufacturing plant address: Pumpvägen 4, SE-243 93 Höör, Sweden)
- Procurator will not modify the product delivered by SwedSafe
